

ISO Quality Award For Nova Design Limited

Following an assessment by an independent organisation, **Nova Design Limited** have been successful in updating their existing ISO 9001 Certification to the latest **ISO 9001:2008** standard. This prestigious award for quality is an International Standard in use worldwide as the benchmark for Quality.

The award recognises **Nova Design's** commitment to an exceptional quality of service. With only a small percentage of UK businesses holding this certificate, **Nova** are now at the forefront of quality service and customer care.

Said a delighted Simon Parry (Nova's Business Development Director) "At Nova Design, we have always been proud of the service we offer our clients. Now with the award update to **ISO 9001:2008**, this has been confirmed by outside experts who are used to judging service on a daily basis in a wide variety of trades and industries".

Steve Berry, who undertook the assessment for CQS (Certified Quality Systems), paid particular tribute to the "investment in people and training that enables Nova to provide an efficient service to their customers."
